Do you need support with...

Dealing with stress Health information
Life skills *Finding positive activities*
(-)Card advice Relationships Education
Employment Building confidence
Any other area of your life

Improving our services

Increased youth worker visibility and support after school hours and in hotspot areas by

Funding and extending Crying Sons support to include weekends.

Funded additional youth service / youth bus sessions in hotspot areas.

Work continues working with youth services and local organisations to create a joint detached and outreach offer.

Including communities in the solution

We're working together

Canbury Gardens working group **Parks Police patrol** during summer 2023 to tackle Anti Social Behaviour during the peak months.

Delivering **Active Bystander Training** giving you the skills to challenge unacceptable behaviours

Including communities in the solution

We're working together

Anti-Hate Crime Protest Art Workshop with Fusebox, giving 11-25 year olds a safe platform to protest & express issues that mattered to them through art work.

Raising awareness on drug-related activity and county lines through workshops delivered by the Crying Sons group.

Youth Safety Forum to recognise & address community and youth issues in RBK.

Including communities in the solution

You wanted to know more about reporting crime and how to get support so we've been busy letting you know :

Hate crime workshops have been delivered to community groups

Anti Social Behaviour talks at local community centres

Improving advice and information on the Kingston Council website and updated flyers

Engagement with communities during Anti Social Behaviour & Hate Crime Awareness week

Kingston College and Kingston University **Freshers Fair Attendance**

Engagement with Police ward panel meetings
